Winter Harvest Coffee (Beans)

Chase away the winter blahs with this balanced blend of Peru, Ethiopia, and D.R. Congo beans. Every cup is plush, warm and pairs well with strong flavoured dishes. When you buy this coffee, you support agricultural training and organic practices.

*Please note that the winter label states it is a blend of Ethiopia, Tanzania and D. R. Congo beans when it is actually a blend of Peru, Ethiopia, and D.R. Congo beans.
