### About the Artisans

## Arayuma

Arayuma strives to bring you the freshest and most flavourful teas, herbs and spices available, while contributing to a better quality of life for agricultural producers in the South. Arayuma products are imported and distributed by Sahana Ayurvedic Products, a Canadian family business that operates on the principles that trade should be fair and food organically grown. Arayuma means "invitation" in Sinhalese, one of the languages spoken in Sri Lanka. By choosing Arayuma, you are invited to help create a better world for our global family, today and for generations to come.

## Pom Pom Party Scarf

Three cheers for this fun oversized scarf sporting miniature pom poms along the edge. From the artisans of Sasha Exports, this scarf is woven from 100% cotton in mauve and light yellow. Sasha Exports represents more than 5,000 makers in some 100 workshops, 70% of whom are women, using a business model that helps artisans develop self-sufficiency and reliable income.
