Clay Casserole Dish (sm)

This small oven-to-table clay casserole dish is stamped with traditional Nepalese designs on the exterior and has a glazed and glossy blue interior. Artisan partner, Nepali Craft Trading, focuses on products that their makers can create in their own homes with little supervision after training is completed. It offers an education allowance for young girls too. Although each casserole dish is oven and microwave safe, please hand wash to protect the design.

About the Artisans

Association of Craft Producers (ACP)

The Association of Craft Producers is a non-profit group that provides design, marketing, training and technical services to low-income artisans of all ethnic backgrounds, 90% of whom are women. ACP artisans also have access to benefits including counseling and medical services, paid maternity and paternity leave, and clothing and household allowances. They have also initiated a savings program and a retirement fund, low-interest loans, education allowances for artisans' daughters, and seminars on health, nutrition and women's rights. ACP takes an active role in protecting Nepal's fragile environment by recycling materials, using water-based dyes for printing, using only softwood in production, harvesting rain water and treating production waste water.
