True Ground Cinnamon

Did you know that most of the “cinnamon” on the market today is actually cassia? This more common and less expensive cousin of real cinnamon lacks the delicate flavour and natural sweetness that true cinnamon offers. Cha’s Organics fair trade certified Ceylon cinnamon is the real deal and grown on bio-diverse spice gardens by small-scale producers in Sri Lanka. Now in a larger size.

Travel the world with each visit to Ten Thousand Villages.

Learn how Fair Trade really makes a difference. Our goal is to provide vital, fair income to artisans by marketing their handicrafts and telling their stories in North America. Ten Thousand Villages sells product from more than 30 countries, providing work for nearly 60,000 people around the world.
