## Holly Felt Stocking Ornament

This little felt stocking ornament is full of surprises. Hand-sewn in Nepal, the women who work for Nepali Craft Trading are able to craft ornaments at home. The work earns money and gives them more flexibility to be with their children and in their own communities.

### About the Artisans

## Association of Craft Producers (ACP)

The Association of Craft Producers is a non-profit group that provides design, marketing, training and technical services to low-income artisans of all ethnic backgrounds, 90% of whom are women. ACP artisans also have access to benefits including counseling and medical services, paid maternity and paternity leave, and clothing and household allowances. They have also initiated a savings program and a retirement fund, low-interest loans, education allowances for artisans' daughters, and seminars on health, nutrition and women's rights. ACP takes an active role in protecting Nepal's fragile environment by recycling materials, using water-based dyes for printing, using only softwood in production, harvesting rain water and treating production waste water.
